Note from the Principal...

Dear Families,

This was a quick week at school—three days of morning testing certainly sped things up. The kids did a great job again—putting in effort and maintaining their behavior despite the stress of the test and a different schedule. Next week is NGSS Science for the 8th grade and practice for 6th and 7th. The kids will do just fine, because we know they are ready!

The last day of school for TRMMS has been finalized by central office. Our 8th graders will have their last day on Thursday, June 13th, with promotion that night at 6:00 pm. Our 6th and 7th graders last day will be Friday, June 14th. This will be a half day for students, and yes, they still need to be in uniform. If you have questions, please reach out to your child's team leader.

To all the moms, Happy Mother's Day!

Jill Wnuk
Principal

CREC's Statement of Diversity and Inclusion

"Capitol Region Education Council (CREC) is an intentionally diverse social justice organization whose members work to acknowledge, respect, and empathize with people of all different identifiers, such as race, socioeconomic status, gender identity and expression, education, age, ability, ethnicity, culture, sexual orientation, language, nationality, and religion. In accordance with CREC's mission of equity, excellence, and success for all through high-quality educational services, our staff and students commit to participate in and support ongoing equity and inclusion programming through curricular and co-curricular offerings, professional learning, and local and national partnerships. Moreover, CREC staff and students strive to understand and confront the symptoms and causes of systematic oppression—ranging from implicit biases to micro aggressions to discriminatory policies, practices and traditions—that benefit privileged groups. While at CREC, staff and students commit to affirm and honor the lived experiences of others, to willingly challenge inherited beliefs and ideologies, and consequently learn, grow, and serve."
