

It's that time of year. Our book fair is here, just in time for the holidays. All proceeds support the library. So grab a new book and help Two Rivers buy books at the same time! We circulate up to 1,500 books a month. Our collection is well loved but often worn out from the wear and tear of high circulation. The good news is our students are reading like superstars, but with a limited budget, it is hard to replace all of those well-loved books and provide new titles to keep kids excited about reading. Your purchases at our book fair will really help!

Please support your child's love of reading by encouraging them to buy a book or two from the book fair. We will have bargain titles and small gift items that kids love, so even a few dollars will go a long way! Students can come in and shop during school hours, and we will be open during conference times. Every item that is sold will help us earn free books for our library. We would like to invite all of our students and their families to come to the book fair. Thank you!
